

# End of Year Design & Creative Media Survey

1. Did you know anything about graphic design or the software programs before taking this class? If you had prior knowledge, what kind of past experience did you have?
2. What did you expect from this class?
3. How did the class end up differently than you expected?
4. Was it easier or harder than you expected?
5. Do you feel that your learning style (please describe) and learning needs (please describe) were met by the teachers?
6. Can you think of any projects that you would have liked to do?
7. What would you tell someone who is considering taking this class?
8. Do you feel different now about design? Please explain.
9. Will you continue to study or work in the design field?
10. Any other comments or questions
